E/A B7 A

Sleep deeply

Rest completely

Wake up happy

Knowing you're with a friend

Goodnight darling

Read my heartline

Love that doesn't have an end

I your Sweet boy

Will not get scared

I can take the words you send

Dear Eling

What were we in

today and the day before

I can't quite say

My paramour

But let me say

I thought not make

Dear Eling  
How you feeling  
about me and  
sweet nothing

Let me hurry  
up the curtains  
and crack the window

to get some air and  
Sweet nothing  
so, you'll know

I'm here  
with you  
in this what is it place

and Eling Sweet Eling  
let me kiss your lovely face

Oh Eling how you feeling  
I couldn't help but to say that  
Sweet Nothing is your love

We are part of what we're in  
Oh Eling how you feeling

Sweet Nothing

I can take this and I can take more
