You're a woman for a man
 We know this and we know that
 and the woman has receded so
 a place behind the sky that's blue
 But the ^Bbig blue sky is quite alright
 and ^FI can take a hint
 But then again ^Gcan I?

When it comes to saying what we feel
 for a woman - you're a heel
 and this woman feels abused
 like the earth that people ~~screw~~
 But the big round earth is quite alright
 and I can take a hint
 But then again ^Gcan I?

As for the 'grownups' and the child
 We take turns once in a while
 But the ~~parents~~ ^{child is lost} ~~lost to the sea~~
 Or the kid's ~~in~~ an orphanage ~~lost~~
 and the giant sea is quite alright
 and I can take a hint
 But then again ^Gcan I?
