It's an evening with the blue light
an evening [illegible] child
ocean grumbling, humming
it's still, it's friendly, it's pausing

[illegible] playing the rough rails
[illegible] Mixes the floor
Beings together in endless worlds
Next to each other

Think about all that creatures do
Licking some chewing others
We look up and around
at the shining walls of night
This is beautiful really beautiful
But it's impartial —

Now Mary [illegible] love you here
<Said her Daddy Then he shot her
himself + they were friends
of my sister / What did he say?
This is where we live this is our home
Even if we build space colonies
there's nowhere else to go Please
Will eat us — it's gonna eat us up
