

~~Handwritten scribbles~~ Fine With Me 12/80
Fg E9
You can say dear what you want
I'll respond with nothing but
~~and~~ if you get your cut
It's fine with me ~~from CA~~

You can glare until you're red
I got me God damn it
But if you ~~stay~~ stay it could be said
It's Fine With Me #7
Oh sure - who cares - I can hear you say it
Not permission - no my sweet
~~Acceptance~~ Please don't laugh at me

If you have to take a swing
~~To~~ To clear the air for listening
I'm sure I'll take it gratefully
It's Fine With Me

And if by chance you wish to leave
The Patriarchs and join with me
In foolish pleasure at the Sea
It's Fine with me
