

Happy as a Clam 9/80

AM7
Low light of the morning
we help each other
+ pour you coffee
~~AM7 Bw7~~

~~AM7 Bw7~~
Darlin Darlin I'm happy as a clam
Yes I am I am
Darlin Darlin I'm happy as a clam
Yes I am I am

AM7
Our house is tied together
with ~~stems~~ + gum + rubberbands
we clutch feebly in the high
~~down the abyss~~

AM7 Bw7
It's old saying just learned and
it's true as it was then
We're our ocean were our sand
and we just as happy as a couple of clams

AM7
you come home dragging looking for a rest
I'm a wreck myself. We lay our heads
down
