

12/60 ✓ Killers from the Deep

A. Lynn in the shadows underneath the ceiling fan
Guarded by a pillow + 2 sheets
Stomach in the closet - get the super feeling that
Therefrom come the killers from the Deep

A. Midnight movie - drama drove us downtown
3 skinned birds ~~sent~~ in their seats
Clung to our faces waiting in the courtroom
For the killers from the Deep

E. Gee guys get the feeling that CIA
We love it cause we know its real
attracted by the memories
We secretly carry with us from the Hunt

A. Weaved down the highway Dodged all the headlights
Smashed + skunked and
Probed in our cars 7 ft. in the Mosque
Flirtin' with the killers from the Deep

Rising from the ocean huge + undetected
a billion dollar toy in our paranoid dream
~~to be a~~ Force that's Monumental of course its intercontinental
Deaths from Below! Killers from the Deep

E. Ancient armies come to town
Killin' everything that moves
Destroyed what the ages built
Waste 'em Rusts ~~will~~ will soon call out for you

A. Serve the corporations - offer up our children
Kneel before systems closed + complete
They're churning out the rubble - we're lapping up the poison
of the killers from the Deep

Crawling from the Oceans Waitin' in our bodies
From high skies + below trees
Returnin' to deform us - they're comin' back to harm us
Our lovers now the killers from the deep

~~Now~~ Now they're creepin' through our houses
How ~~can we~~ ~~can it be~~ Please hold
Genocide is all around us ^{an' to me}
Wants for every Race + Creed

BA

We flustered with the ferrous ~~let~~ we saw their eyeballs
Now we see that Death's no sleep
Beggan to be gone us like Manson was upon us
~~one of~~ One of the countless masks of the killers from the deep

Nowhere can we - scape their gleaming pincers
Rumblin' up in waves + heaps
In our meditation - we join forces
w. the killers from the deep

~~Oh~~ Oh no it can't be so
Teacher Leaches can't be
Bill ~~left~~ ~~was~~ about an hour ago
and he shares everything with you + me

Oh no it can't be so
Killers Killers from the deep
