It's only a Monsters Dream
(In a Monster's Brain)

G B7 Em A7
Oh Come now I could hear her say
Obviously not playing Cloud 9
You scoured Em the reason for say
I was kept out the gray
G B7 Em
She scooped me up from where he lay
I dug my way and scrambled
G B7
Slowmotion I may not go quick
Em
Then I made a turnabout G

(previous page
Looked here there for a safe place
But no way — don't exist
But hell gone loose upon excuse
To forsake the oppressed
Being tumbling + eating itself + Spreading
rumours of bliss
And he'd got to stay and help out forever
Now dopes + these deans
But I'll cause I have confidence
For life all of these beings will be saved
Oh Jeh — hmmm could be
