

Nail it Down 7/80

We said it was cool it was ~~not~~ ~~clunt~~
We said it was new it was not

No matter our sophistication what we said had no relation
Now that we've ~~been~~ ~~had~~ ~~such~~ ~~a~~ ~~lesson~~

you'll think that we'd not try again
But ~~there~~ enough folks like before all us clones
are parading with slogans through hall + town signs

There we go - we're gonna try once more
Community once more to nail it down

I took Jerry ~~off~~ ~~for~~ ~~the~~ ~~train~~

Off to the National convention

~~he~~ ~~would~~ ~~be~~ ~~with~~ ~~folks~~ ~~who~~ ~~eat~~ ~~up~~ ~~the~~ ~~city~~
On a mission with Trotskyites in coffee shops on busy streets

There's Katz who gave up on ~~looking~~ ~~for~~ ~~the~~ ~~work~~
She keeps close to reach one example of each
a guy who's into animal hugs

Something hot by Herb

67 Huges

and it's down down down down
