At 7 - I dug it - it was great
When I saw your face after I was long gone
I liked it

Don't believe what they say about you
" " " " " me
We can't be all that bad now can we
Why can't we be good neighbors

Don't want to be your enemy

Wanna be your friend

The governments can't get along
The diplobabbists can't get along
The idealists can't get along
The fanatics " " "
Don't Want to tell you what to believe
