

7/18 Regent - Happy Birthday 44  
Happy Birthday Regent - Happy Birthday to you

I came to these mountains a few days ago  
to this land of red and gold  
So on your birthday I was told  
I know that much but not how old  
lacking in this knowledge yet I drew  
a temporal gift - this song for you

I come from a city out there by the sea  
San Francisco on my back  
Studied with Gurney, Susilar  
a foreign man of just 5 feet  
you've got his picture on your altar too  
That's one thing that I know about you

Regent - I've seen your official pictures and know you've got a fine  
Regent - I've heard some about you from folks I met in your back

Now they say wonderful things - but that's not why I sing  
I sing out of respect and don't want to neglect  
~~and I don't want to do anything outside of sect~~  
~~and can think of none better to do~~  
Than sing Happy Birthday to you

I met your father Sage <sup>about 10</sup> ~~years~~ years back  
Meeting him was like stepping on a tack  
Now he's named you the Regent <sup>that's</sup> a matter of fact  
I don't know what regents are or what regents do  
That's all I need to know - and so it's easy to wish you

Regent - Cont. 1

Regent - what they say about us - its true and then some more  
 Regent - thats tough moogies baby - ~~but just to be on the safe side~~  
 So whoever you are - I came here in my car  
 to wish you ~~games~~ under par - from demons afar  
 If I were a hat I'd tip it if I had a date I'd skip it  
 To sing happy Birthday to you

Regent - now lets lighten the tempo  
 and kick our heels and go whoopee do  
 Regent - Now I'd tear off my body  
 so I can celebrate this day with you  
 For I cannot express with a no or a yes  
 on a birth or a death my esteem of your breath  
 I ~~need~~ ~~no~~ knowledge but have passion up the keez  
 That sings happy birthday to you

ok
