Retes in the den mom + dad are sleeping

Saras there with them you all

asleep in her den she's a fine little kid

Well she could stay you off the wall

They live in Boulder

by Rocky flats

Full of Buddhists

Soon be wearing spats

Just arrived she ate me alive

I brought her back when we got on the right road

We looked at each other thought 'something' other

The neighbors could hear us explode

Back in the den

Goin' crazy

She likes coffee

But she doesn't like tea
