

5/79 I remember your Momma but I can't remember  
your name

I remember it was not long ago  
Because she pleurisy was dead and over  
I remember your momma but I can't remember your name  
We got busted on the East side I was driven <sup>BW?</sup> ~~down~~ <sup>up</sup>  
It was 10 AM <sup>CH?</sup> <sup>A?</sup> Coyse up the Kazoo 1 Ch  
~~There~~ There was a bottle in the glove box - we were <sup>BW?</sup> ~~quitting~~ me  
They found one in the seat and then they found one <sup>A?</sup> ~~up~~

so that's how I met your momma - she was awful <sup>BW?</sup> ~~unk~~  
We were <sup>BW?</sup> ~~unk~~ and 1767  
She sat <sup>BW?</sup> ~~unk~~ the kitchen and poured <sup>BW?</sup> ~~unk~~ a glass of bourbon  
Lord have mercy how your momma was a queen  
I met you at a <sup>BW?</sup> ~~unk~~ dance - you saw her over late and you  
so + <sup>BW?</sup> ~~unk~~ it one night and it didn't work  
Came over the next and got a little <sup>BW?</sup> ~~unk~~ (Ch)

Climbed up the trellis and <sup>BW?</sup> ~~unk~~ your <sup>BW?</sup> ~~unk~~  
Call your name "Keywhatch name" and <sup>BW?</sup> ~~unk~~ <sup>A?</sup> ~~unk~~  
Now your Momma she was heavy and determined <sup>BW?</sup> ~~unk~~  
Then <sup>BW?</sup> ~~unk~~ buy myself a red dress <sup>BW?</sup> ~~unk~~ <sup>A?</sup> ~~unk~~  
I'll do it in a year.

Back to your room on a summer night  
You didn't hear me calling I was getting up tight 10  
A door opened and <sup>BW?</sup> ~~unk~~ "Who is it" "Just me goodby" <sup>A?</sup> ~~unk~~  
Took a quick 2 story hop - hit on my feet and didn't stop

She called me up at 6 AM a cryin and a mumbled  
"Had a 45 up my hand"  
Oh I said I'd heard a chick - excuse me Mrs. Whiteham  
I'll never do it again  
B?

so that's how I met your mamma - she was awful unkind  
We were wild and 1767

she sat ~~at~~ <sup>in</sup> the kitchen and poured ~~out~~ <sup>up</sup> a glass of bourbon  
Lord have mercy how your mamma was a queen  
I met you at a dance - you sat ~~over~~ <sup>over</sup> late and you can  
fit in my pants

so I tried it one night and it ~~didn't~~ <sup>did</sup> work  
Came over the next and got a little ~~entire~~ <sup>work</sup> (Ch)  
Climbed up the trellis and ~~met~~ <sup>met</sup> your ~~door~~  
Call your name "the ~~whatch~~ <sup>whatch</sup> name" and ~~stage~~ <sup>stage</sup> Whiskey (Ch)

Now your Mamma she was heavy and determined to ~~do~~ <sup>do</sup>  
Then I'll buy myself a red dress ~~and~~ <sup>go</sup> courtin' the ~~sun~~ <sup>sun</sup>  
I'll do it in a year.

Back to your room on a summer night  
You didn't hear me calling I was getting up tight (Ch)

A door opened and a ~~click~~ <sup>click</sup> "Who is it" "Just me goodly" (split)

Took a quick 2 story hop - hit on my feet and didn't stop

"I had a 45 in my hand"  
Oh I said I'd heard a click - excuse me Mrs. Whatchamaddy  
I'll never do it again

I met you ~~with~~ <sup>with</sup> you one year after that  
your Mamma was a red dress and ~~she~~ <sup>she</sup> was ~~not~~ <sup>not</sup> fat (Ch)  
She said why don't you come by in a more dear  
I wouldn't see you in over a year (Ch) (Ch) (Ch)
