Sophisticated Painter's Leisure

The best were down beside the pool
 They kept all the unspoken rules
 But I had the best burglar tools
 So Sophisticated Painter's Leisure

I lay ~~at~~ ⁱⁿ a chaise longue on
 the deck until the rest were gone
 Got wrecked and passed out on the lawn
 of Sophisticated Painter's Leisure

Oh Cole - God bless your sole
 How - did you survive it anyhow
 What's the point - you'd have an accident or surgery

~~... would have a measure for you just~~
 ... with the pleasure and ...
 ... by the ...

The rest were scarfing up the scraps
 The guest was upstairs playing craps
 and would spend his whole life
 Sophisticated Painter's Leisure

took the highway to the North
 along to Isabella's scarf

Got wrapped and passed out on the lawn
of sophisticated ~~pailess~~ ^{pailess} leisure

Oh Cole - God bless your sole
How - did you survive it anyhow

What's the point - you'd have an accident or surgery

~~and there would have a measure for you~~
and there would have a measure for you
with the phrasal and
had you by the
The rest were scarfing up the scraps

The guest was upstairs playing
and would spend his whole life
sophisticated ~~pailess~~ ^{pailess} leisure

I took the highway to the North

and felt like I was gonna ball

~~oh sophisticated pailess leisure~~
sophisticated ~~pailess~~ ^{pailess} leisure
