

133 Aunt Kidding Around 12/29

I might to this or I might do that
+ really don't know what to command
+ might surprise you + change my way
Or + might continue for the rest of my days
Could turn my back - could go ahead
Could ~~fall~~ to the left - or stand go down
But + am kidding around won't + am kidding around

I might pose you I might joke you
you would get soaked in promise that my pal
you may suspect a cold neglect
Then ~~circumpect~~ ~~and~~ ~~go~~ ~~shuts~~ me to be foul
Could ~~live~~ right in or shake it out
Could live in sin or never be found
But + am kidding around won't + am kidding around
