

244 Arise The Day of Joy / 1/80

There is peace there is health there is victory there is freedom
But where she broken pieces fall

Am 7 Bm 7 Cg 7 Co 7 Bm 7 A 9
amidst all that annoy of days our loves away

Arise the day of joy

F 6 D 6 F 6 D 6
Bodies don't last forever; Families don't keep us either

Am 7 A 9 Am 7 D 9
we can't escape the weather she pain

Arise the day of joy

Nothing we employ
Can ~~keep~~ make the world

Arise the day of joy

Nothing we employ
Within this world that

around this town that's falling in
Wounded victims out there

Without changing a single thing

Brothers & Sisters and ghettoes + mansions
The sparkling and those all filled to the cheeks

Arise the day of joy
Send there envoys not having off to wait
Arise the day of joy
