

I'm so handsome, I'm so neat ^(4/80)

All the gals are in love with me
I'm a servant, yes indeed I'm a servant
I'm down the gangplank

A gull loops by defies the air
It pause a bit to smile & stare
a sign yes indeed a sign

What awaits there on the other side of the Gangplank
Get pathetic ready to sell the deep blue sea
I'm done yes indeed I'm done - ^{Aggging down the}

~~He says I wish it were gay~~
~~That pirate might change his mind~~
But I couldn't take him casually
to Davy Jones go to (his locker)

I was afraid to jump into the water
From that cliff on the Sawstars
But I did it because my friends did it
I thought inches down the gangplank

The God Damn Pirate Fucked Sea
Shitty board and bloody me
I'm dead - I'm back
I'm on the Gangplank
