Gifts of Love 12/19

I've got no pretty gifts oh love for you
Throw me out if you want to
I may not have a hope
Of your forgiveness nope
I may not have a thing
yet gladly now I sing (cause)
I bring gifts of love to you

You say that all this talk of love is crap
that he who gives nothing just pretends he's giving that
in thoughtless yes it's true
There's nothing you can do
yet you will call my name
and wave as I drive away
Cause I bring gifts of love to you

Not too heavy
Not pretentious
Not brag
Not to deny these gifts for you

Not too much
Not to touch
Not to prove

Later I may hand you something in a box
Rest assured it's not one of them shiny rocks
I wouldn't have you'll say
It's nothing I'll relay
You'll put it away
Forget it the same day
Cause I bring gifts of Love to you

gifts of love not ribbon wrapped
nor [illegible] box
These described in
Such a way
cause I bring
such ourselves today
