good little boys love their mothers
neighbors and honor them

Good Little Boys ^{ma + pa}
good little boys are clean boys, they go to school and
break the rules ^{in preparation for the law}
~~good little boys are clean boys, they go to school and break the rules~~
~~good little boys are clean boys, they go to school and break the rules~~
good little boys are into ^{books in every which way}
at all - glee with the world as ^{it comes now}

good little boys love their mothers ^{and stay by their mothers side}
and stay by their mothers side
good little boys play with their boys
and get into fights
and good - love their mothers + stay

Don't take don't take - the good little boys away
good little boys come in all sizes
and wrapped in all kinds of skin
good little boys - well it takes all kinds
and there sure get June to name them

good little boys have to work in the fields in the
factories, ~~and~~ ^{the mines in the deep}
good little boys ~~and die of malnutrition~~
and die of malnutrition
good little girls are just as many
and just as easy to see

good little girls put their noses ~~in the~~
climb trees ~~and die of malnutrition~~
good little girls go sunning around grow
up ~~like cattle~~ ^{like cattle}
even ~~and don't know~~ ^{and don't know} for their own names

up ~~like cattle~~ ^{like cattle}
even ~~and don't know~~ ^{and don't know} for their own names
