

167 Jesus 4/80

Jesus ~~Jesus~~ ~~can't~~ ~~we~~ ~~just~~ ~~say~~ ~~we~~ ~~are~~ ~~not~~ ~~strong~~ ~~enough~~ ~~to~~ ~~take~~ ~~care~~ ~~of~~ ~~our~~ ~~country~~

What's as obvious as the shadow on your face
 justly wonder gonna a good ole excuse me

Suppose some of you ~~cut~~ these shorts ~~to~~ ~~be~~ ~~admitted~~ ~~to~~ ~~the~~ ~~club~~
 Dickin my tail ~~run~~ like a rabbit from the lights

But ~~that~~ ~~don't~~ ~~get~~ ~~my~~ ~~back~~
 Out a beatin up some ~~holes~~ from the ~~holes~~
~~At~~ ~~other~~ ~~ways~~ ~~to~~ ~~get~~ ~~my~~ ~~back~~
~~to~~ ~~be~~ ~~strong~~ ~~enough~~ ~~to~~ ~~take~~ ~~care~~ ~~of~~ ~~our~~ ~~country~~

you might say we should stand tall
 and stick out our big chest
 say we are proud and got no such regrets
 Poppin buttons in the ~~air~~ ~~Oh~~ ~~come~~ ~~on~~ ~~guys~~ ~~do~~ ~~declare~~
~~that~~ ~~we~~ ~~are~~ ~~not~~ ~~strong~~ ~~enough~~ ~~to~~ ~~take~~ ~~care~~ ~~of~~ ~~our~~ ~~country~~
 I think we've all had enough of that

By our receipt, was a quest
and admitted by Paul
make a little co

Maybe they have got a point ^{but of course} that's your way to act,
I'll well have to live with them that's a
an ever increasing fact ^{real live fact}

The guy who lives on the block
~~well~~ maybe don't run it or get loud talk
or Falibays have to go with back

~~let us bring~~ the woman
who helps to balance these crud men
after all it's she who made the flag

~~Maybe we could endure~~
~~the softness we could help~~
~~the first fact that they set these~~
go on

when a muscles loose how it can move
that these guys are holding our friends
what is it we think we've got to

who respects those from whom he ~~is~~
No ~~assumption~~ the slightest Christian thought in wrong
in action like some vicious brute

Remember she other cheek, give unto Caesar, what ^{interest}
and we'll have our friends base home in a weaker ^{shell}

Oh is +
