Lady Z

10/79

She's got eyes like pies

Nose like a rose

Yes Hair yes so  
one of those

Be careful what ya say  
she could blow us all away  
she's the dangerous + lovely  
Not X Not Y But Lady Z

She's got hands like fans  
ears like ears

Thoughts like bubbles  
In the corners dear

she dances like a leaf  
~~about singing more like a bird~~  
~~she has learned that can be~~  
Illustrations ~~are~~ <sup>are</sup> ~~not~~ <sup>not</sup> ~~yet~~ <sup>yet</sup> ~~but~~ <sup>but</sup> ~~lady~~ <sup>lady</sup> ~~Z~~ <sup>Z</sup>

She smiles for miles  
and frowns in rounds

The fast I make you happy  
But she don't get you down

Be ~~cautious~~ <sup>cautious</sup> how you move  
she might incorporate you

she's got a name like plains  
Not X Not Y but lady Z

Am  
Z is for Zebra  
But that can't be  
what ~~stands~~ <sup>stands</sup> for  
Z is for Zydeco  
She'd surely  
clap her hands for

Z is for Zuchini  
She's a bit more  
like a dacinia  
Z is not for  
Telephone  
then what can  
she refer to be?  
I'd call her on  
the telephone  
But she wouldn't  
take calls  
from me

let's just  
call her  
lady Z
