Oh light on the sea (x3) on the sea
Tell me tell me tell me why Em/G
I'm so impressed by lights on the sea D Em
Oh light on the sea (x3) on the sea A9
Fireflies in summer don't come what a bummer
No lightning in terrible cracks Em
yet here there are teases of light which so pleases
Me that we might never go back A9 A7
Darkness in the room (x3) by the sea
Sure couldn't see them lights outside Em/G
If the room weren't dark in the shell of night
Oh dark in the room (x3) ~~by the sea~~
Oh dark in the room Em A9 by the sea
