

~~Oh in the morning, we wake + feel supreme dear~~
~~and in the afternoon, we make a deal with life~~
~~and in the evening, we're breathin' oh dear~~
~~and I love you + love you all the time~~

I love you all the time

oh in the morning, we wake + feel supreme dear
 and in the afternoon, we make a deal with life
 and in the evening, we're breathin' oh dear
 and I love you + love you all the time

oh in a daydream you still keep me in line dear
 and in a minute you ~~will~~ shake me to my spine
 when it settles we're still gettin' by dear
 and I love you + love you all the time

I love you - hummin' an old tune
 I love you - ancient mantra croon
 I love you - you really say nothin' down
 all the time seems to imply something in the vertebrae

oh in the middle we're caught + with the dear
 and in the middle we're gropin' for a line
 but in the meantime somewhat I am yours and you are mine
 and I love you + love you all the time
