Madam Wazell

Madam Wazell

Madam Wazell

When a woman's lib was sexy
when gripes & fits was bitchy
uppity & threw a vision
she was awful dicy

There weren't no lame like Wazell
From the communes to the hostels
From the churches to the brotherhoods
She never had to ~~be~~ follow

No self seeking ~~being~~ Mable A7
Grabbing to a label - Madam

No Half Hearted Hanna nor a sweet Suzanna Madam A7
No fancy violet Velma or a parrot back in Selma
Not want Guard Poa or a fancy ~~posse~~ Madam Wazell

She's got a rep that's solid
Not from birth or in the wallet
Not from bravo or gambit
It's just hers & gotta hand it to

Madam Wazell A7
