

Oh if I only been the 1st to rhyme moon + June
 I wouldn't have to sing this time
 I'd be crooning to the fishes what a wonderful spoon
 But it's too late for the moon in June
 " " " " " " " " " " " "

get still + love to hear about stream + dream
 I feel so + can't do a thing
 Row Row Row your Boat might be the laundest song ever sing
 and that's enough for the stream in a dream (repeat)

Gonna walk my love I wish her so
 Gonna take of a kiss ya know
 Be sure to find our bliss to go
 Be glad when tin sure this is Jones
 (1st Verse)

If I'd only discovered love + dove
 I wouldn't get so desperate when push comes to shove
 where no such birds seen then we'd look about
 But it's all over for love + dove

and whoever sang those nursery rhymes
 they see what they did did they realize
 enumerate them formulate them roll your eyes
 Versus gals rhythm guys

I'm waiting for the coming of the sky + the
 I'll spin her round + dance her black bird by
 and when we part I'll sing to her these lines
 (1st Verse)
