E we can take all the dope

A we can buy Dg  
F#m A  
we can drink through the night - even get a head start

F#m Bg GO

We can take all the dope  
We can buy <sup>even buy</sup> the store  
Drinks through the night - get a head start

Do what we may it still is the same  
There's no substitute for a heart

We can hide in the woods - hang out with hood  
live without notions apart  
Be high on the hog - hang away down - we can

But there's no substitute for our flying heart  
It beats well - sure it's great - sure it's the greatest  
It's not help at all but it's a damn good machine

We can run together - we can go sharp  
We can't + blast off to the store on a left

But there's no substitute for our
