

8/79 It's Not All I Want

73

You got eyes to read mine
You got smiles to drive them through

It's not all I want
~~But I~~ I wanna be with you

~~And~~ your body language
and your punctuation

It's not all I want ~~but~~ I wanna be with you

I'm funny I would fantasize
More than I should

But oh ~~the~~ the instincts can catch in a breeze

You are fast and clever & dear
I remember your dress I do

It's not all I want
But I want to be with you

But I want
It's not all I want
I want
I want
I want
