We Knew Dolly

The first thing she did was insult the host
 who of course had never seen her before
 Next she got Jacky a cocktail in hand
 The guests standing near didn't quite understand
 But we knew Dolly - we knew Dolly well
 We knew Dolly -
 she could come in and raise hell
 We knew Dolly ~~well~~ we knew Dolly well

she wore the right dress but she said the wrong
 of words that offend and shock weren't enough
 she then bragged then raged "Who the hell is Shirley?"
 asked a proper patrician "just what is her bag?"

Oh

Dolly don't call it Dolly and discreet
 Dolly's unruly oh Golly Dolly!
 Dolly's outrageous ~~can~~ can bring on peaks

Oh People when she moves on they say "God can't believe"
 We walked her out to her ~~black~~ black limousine
 She was ~~full~~ full of oil wells, of glands and strange things
 We kissed her ~~each~~ each of us to a cheek
 The father at the bar were just recording
