Ellen she met Bobby when they worked for the State

Now Bobby's Ellen's hubby and we all think that

one bright day a fine young child was born to this dear pair

and from miles around you can hear the sound
of their friends who gather here

~~Her~~ ~~Back from~~ ~~slaying dragons~~ ~~most gracious~~

She from the center of the earth

We raise a toast now ~~to~~ them both
and to those who ~~were~~ earlier

~~to come~~ ~~and~~ ~~we~~ ~~come~~

Oh dearest States we celebrate
