Ch 10/87 Taking a Bath in Mono Lake

5

Put the kids in the motel bed
They're too tired to jump
Bring some things from the car
Then get a paper for the T Section
Run back and get some
Have a drink Take it off

Then I was taking a Bath in Anaheim
The Source I'd contemplate
I laid back to contemplate
Taking a bath in Anaheim
Is like bathing in Mono Lake

I love to go to Disneyland
I salute the People of LA
Also like LA

Disneyland is Wonderful
Though they let too many in
The beaches are great and the folks there are Buddhas
I just
More considerately
Sung a playground ballad
How I don't
Know. But
the questions not who

Pure is a bath in Jeproditz
