sitting at the kitchen table (drop base from B to A)
the night ~~the night~~ ~~the night~~
I'll med all I do was try to get from you
One Sweet Smile

you're playing hard to find love

~~you're playing hard to find love~~ I leaned a little toward you
and ~~rest~~ pressed against your shirt
~~you turn away from me~~ ~~your slip was~~ ~~your slip was~~ ~~your slip was~~
I'm sure you turn away from me
One Sweet Smile

you have been so far away & I'm waiting for you to return
I'm sure you turn away from me
One Sweet Smile

~~Did~~ Did I think ~~you~~ ~~never~~ you to return
Did you ~~think~~ ~~I~~ ~~wanted~~ ~~money~~
Or to keep you ~~at~~ ~~my~~ ~~side~~ ~~and~~ ~~make~~ ~~me~~ ~~happy~~
Honest look at me so that I can see
One Sweet Smile
