Pelicans fly by in a ~~soft~~ soft blue silhouette they  
 when those big bodies go on they don't make me  
 cry

oh yes the folks who make a pack  
 with you the real live body snatchers  
 Their hearts + minds are full of Tacks  
 Forgive them cause they know not what

~~Don't know~~ Am7

Don't know where they're from Bm7 → a)

Don't know what they are A6 (F#)

They're ~~just~~ Am/Ab (G#) what I see out their window
