Start with D, D, D

Went to the ~~school~~  
 to talk to the class  
 the school was integrated  
 the kids were  
 and I remember the warehouse (x3)  
 and I love it like a boy loves its charms

Back to the basics the parents said  
 Basic what would you please  
 Back to crap and the antidote  
 For your fool liberteze  
 (and I love it like a boy loves its charms)

Now don't think that  
 For all that I have learned  
 I don't suspect I'm not  
 on the front of the line  
 I love it like a boy

~~Down warehouse and you know it~~  
~~to save you in the day~~  
~~you've got a right~~

To all the teachers  
 I love you everyone

Chord progression: D(9) 3 G11 A611 Dalt7

~~Back~~

Folks all over the  
 nation telling you kids  
 what to learn  
 what you get to just like  
 the talent agent

~~We'll not try~~  
 young love type song
