

Summer 72

2

Wont ~~kick~~ me out

6  
Been smokin like a freak  
For about a week  
How I hate to break my row 6  
~~But even if I blow it~~  
But pretty soon I'll throw it  
But even if I blow it  
I know you will not kick me out 6

Wont kick me out  
" put me down  
" scream or shout  
or curse or frown.

Now I'd make this song longer  
if my will were stronger  
But I need some nicotine  
There is no doubt  
~~But~~ this I swear will be my last  
But even if I break the fast  
I know you will not kick me out.
