My love she come and said to me  
You got some destiny

~~Trade it for a better one dear,~~ <sup>EB</sup>

Then my love hot down and said  
You got a fucked up head

Trade it for a better one dear <sup>E</sup>

and if she's <sup>Oh</sup> wrong or if she's right <sup>A</sup>  
I'll be home tonight

Cause she's the one who come along  
I'll <sup>A</sup> me that my life's going wrong  
Trade it for another one hear!

My love she looks <sup>around</sup> this time  
And says you'd better change your mind  
Trade it for a better one dear

Whereupon she stands and screams  
I ain't the girl of your dreams  
Trade me for a better one dear

But I won't ~~change~~ <sup>I know</sup> ~~and even if she'd hand me no good~~  
She's the one —
